AUTO BREAKS RECORD

Without doubt the most marvelous road record in motor history was made a few days ago between Los Angeles and San Francisco, a distance of four hundred and fifty miles over desert and mountain country. The distance was covered by a Buick five passenger, six cylinder car, Model D-6-45, in the remarkable time of ten hours and forty-seven minutes. This beats the previous record by one hour and twenty-three minutes.

The automobile which made this wonderful record carried four passengers and the time was three hours less than that made by passenger trains which make the run. Stone & Flora are the local agents of the Buick. They invite you to come and be shown the best car on the market for the money.

ORCHESTRA GIVES

PLEASING CONCERT

Under the capable direction of Prof. A. G. Vredenburg, the Southern College orchestra of Sutherland gave a concert in the Methodist church South last evening. The church auditorium was filled with an audience which was liberal in applause and gave every evidence of appreciating and enjoying the offerings of the students. The concert was given under the auspices of the Woman's Missionary Society of the congregation.

The orchestra consisted of two first violins, two second violins, viola, cello, bass, cornet, trombone, piano and drums. Each performer handled his or her part with commendable skill, the ensemble being highly meritorious. The orchestra played Bergholtz's "Bohemian Life" overture, a suite by Friml and "The Smuggler's Bride," by Bohm.

Mrs. Alerman was unable to be present, so her place on the program was filled by Miss Frances Clark, one of the second violins, who proved not only a most acceptable substitute, but who showed that her proficiency as an instrumentalist was fully equalled by her charms as an elocutionist.

Miss Claire Farmer, the possessor of a sweet soprano voice, was heard in three songs, "The Gypsy Road" being particularly well received. Prof. Vredenburg displayed his proficient technique in a DeBeriot concerto for violin and orchestra. Miss Irvine Davis and Paul Strother contributed a violin duo which was well received.

The concert as a whole reflected much credit upon Prof. Vredenburg and his students. Each number was given with the assurance and finish that bespoke painstaking preparation and careful training. A return engagement would doubtless see the orchestra welcomed by a still larger audience.

Issue Card of Appreciation.

The following card of thanks was issued this morning:

"The Woman's Missionary Society wishes to return thanks to the Sutherland College orchestra—Prof. Vredenburg, Misses Farmer, Clark, Davis and Vredenburg, and Mr. Paul Strother—for the splendid program rendered last evening for the benefit of the Methodist Church, South. Also to Messrs. L. D. Vinson, Charles Jackson and Dr. Belcher for their kindness and courtesy in the use of their cars, and to The Leader editor and his assistants for favors extended."
